Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job of safety officer/safety coordinator.

I am currently working for Eskom as a technical official since the year of 2010 to date. I have a very strong background, knowledge and skills related to electrical engineering and construction.

Educationally I have a 3 years Bachelors of Arts degree in Disaster and Safety Management as my highest qualification, diploma in safety management, computer literacy certificate, basic ambulance attendet certificate, electrical engineering Pre apprentice certificate and grade 12. I served and still serving as a safety representative as my second responsibility where I'm working.

With the exposure to heavy current Industrial equipment I have extended knowledge and skills on how they operate and to repair. My passion is to work on health and safety field since I'm a qualified candidate. There is more in me that can contribute to the growth of your company
