R.A.R Matseba

Preferred occupation: Engineers  
Engineering jobs

Dear Sir/ Madam  
Preferred work location: Johannesburg  
Gauteng

**APPLICATION FOR ELECTRICAL ENGINEERING APPRENTICESHIP**  
**Contacts and general information about me**

Day of birth: 1995-02-15 (29 years old)  
I would like to apply for internship position as per the advertisement.  
Gender: Female

Residential location: Germiston  
My motivation for applying this position is because of the unmatched value the electrical

engineering apprenticeship places upon its people and the excellent self development opportunities it provides. I was immediately convinced, when I read the advertisement for the post that starting a career with such organization is the chance of a lifetime to fulfil my objective of developing myself professionally and personally.

**Languages**

Language	Speaking level	Understanding level	Writing level
English	fluent	fluent	fluent

I have studied at Tvet College. Admission at Tvet College was successful and highly competitive. English equipped me with a constant awareness to be disciplined and an enthusiasm for change in order to be ahead of others.

**Additional information**

Driver licenses: None

In terms of interpersonal communication, I am responsive to my colleagues and I am eager to help whenever possible. I am good at team work, able to consider and analyze different opinions, and take the lead when necessary. I am good at persuading others by creating relationship based on mutual trust and understanding.

I know electrical engineering apprenticeship seeks only the brightest and most creative applicants for this position. I also know that I am capable of performing the job effectively if given a chance to work with a team like that you usually employ. I am excited about the idea of working for this dynamic, well known organization.

You can find my qualification in the enclosed resume. For further correspondences with regards to information about my qualification and skills, please contact me by e-mail or phone.
