What job i'm looking for? My positive points

I'm looking for a simple job for the holidays festive season. A job that does not require any experience. I'm doing my matric this year. The employer should hire me because I'm a very fast learner and a good listener. I work hard and I am smart. I'm one person who tries to always accommodate everyone and I work well with a team. Although I'm an introvert...I am able to step out of my comfort zone.
