

Andile Mthembu

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for an opportunity to use my knowledge from school and learn more about scientific research. I am very confident that I have knowledge and skills to professionally fulfil the position as required by the company. I am a strategic thinker, good team worker and can work independently without supervision, analyst, researcher and proactive with a focus on solutions. I am self-disciplined, able to take responsibilities of my work and willing to learn and work overtime and shift. I have a great deal of lab experience in chemistry. This position will accomplish my goal to gain more experience and allow me to grow as a person and employee.
