What job i'm looking for? My positive points

As a driver because I have a good working relationship, i'm a hard working person, i respect my job as well as my colleagues. I haven't worked much as a driver bcz the company i was working for it was only for the month of December because a driver was on leave

Most of the time I use to drive minibus taxi to make little money for me nd my family nd that is wen I realize that I can b a driver nd start to work hard so I can provide people I'm living with.
