

Lunga Nqonqo

Curriculum Vitae (CV)

What job i'm looking for? My positive points

My name is Lunga. Originally born in the Eastern Cape but I grew up in Katlehong, Johannesburg that is where I did my primary and secondary schooling. After my grade 12 I had an opportunity to study further to an institution called Thswane University of Technology where I studied a national diploma in Economic Management Analysis spending four years but due to financial problem I could not manage to finish up the qualification but out of the program I have a confirmation letter to say that I was doing an end-user computing so I develop the skill of using a computer.

Myself in relation with the work experience:

All my of my work experience comes from the Retail industry where I started working as a stock take Counter, which we were counting stocks of different retail companies such as Edgars, CNA, Jet, Jet Mart etc. Then I worked as a cashier. In where I was working as the money receiver of the company. And Lastly I worked as the fruit and vegetables assistant in merchandising. I was taking stocks from the storeroom to the floor and packing them in the shelves. Every Mondays were done the stock takes and sometimes I would assist my manager and my colleagues in receiving the stock by checking the quality and the quantity of the stocks.

So I out of all the work experiences I learnt:

- (1) The skill of working as the team
- (2) Knowing how to take control over the type of work that you are given to perform
- (3) A practical understanding of the operating of the business and the behavior of customers towards the business.
- (4) Customer service understanding
- (5) The skill of handling cash
- (6) The Skill of communication
