Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a general worker, assistant or construction job in mining or one that is related to mining and metallurgy that is fit for a hardworking young person.

Throughout my learning curve, I have taken various responsibilities with outmost sincerity and I also obtained leadership skills, good communication skills, outmost respect, punctuality and professionalism. I am currently studying towards obtaining a BEng Tech in Physical Metallurgy at the University of Johannesburg and thus I would like to get into the mining and metallurgy industry before I obtain my degree and to also find a salary to fund my studies.
