Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a student, current looking for any part time job. I'm good with people, can easily connect with people.

I can work with a group to a group but can't also be touched when working individually.

I did computer programming, meaning I can do anything that has to do with Computers.

I did management, I know how to communicate with staff members, how to lead and I also know how interact with those above me.

You won't regret giving me chance.
