Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am currently looking for a home based job as I feel I will be happier working online from my home. I am an educator by profession and can do basic operations on a computer. I think that online is the way forward and would really like the opportunity to try it out. It's my intention to have a permanent online job that allows me flexibility and freedom to work at my own pace.
