What job i'm looking for? My positive points

At the moment I'm looking for any kind of a job. I'm currently unemployed studying part-time at Varsity College doing Higher Certificate Information Technology. Even though I'm physically challenged on my left hand side, I give 120% in everything that I do.

It would be a great pleasure to be a part of your company even if I start on a lower position as a general worker cleaning and packing I would appreciate it.

I worked at MyPond hotel during my studies then later I worked at Royal St Andrews hotel as food and beverage supervisor. I learned a lot during these experiences I believe I can a good asset in your company.

Please feel free to contact me at 0630808857/0792171487 at anytime.

Kind regards
