Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm a good individual who is more dedicated in what I'm being instructed or told to do. I may sometimes get loss control over my emotions but I never let them get out of hand. I have never been employed before and I'm looking forward into doing any kind of job which will get me something on the table or getting to learn more things in life unlike staying home and doing nothing. Even a cleaning job would make a lot of difference than sit home the whole day
