What job i'm looking for? My positive points

I'm looking for any job opportunity available because we all start at the bottom to be able to get to the top even if it's a Cleaners job ,I will take it. You're looking for someone who values teamwork and is willing to have tasks delegated to them. Cleaning often requires a team effort so that the work is completed to a high standard, especially if the job needs to be done by a certain time. Someone who works well with others will be ideal for this role and that's why I say that you won't regret hiring me.
