What job i'm looking for? My positive points

Looking for a driving job although i have code 10 but haven't made PDP yet. I have experience on Safety Representative position. I am good at what i do, reliable and I'm sure of being a great asset to the company. I am trustworthy and a very hard working young man who is seeking for an opportunity to uplift not only the company but himself and his family too. I chose driving as a work i would prefer to do in my current situation but if had a previllage to also go to school further my studies, I'd go for being an artisan, Drill Rigger Artisan.
