What job i'm looking for? My positive points

I am confident my mechanical skills would benefit your customers, team members and bottom line. I am more than able to work in an environment of change, challenge and multiple deadlines. As a true all-rounder I'm physical fit and comfortable working in garage which has dirt, odours, noise and adverse weather conditions. At the moment I am willing to join a company where hard work is rewarded and top performances move up quickly.
