Curriculum Vitae (CV)

What job i'm looking for? My positive points

I studied Electrical engineering at Sir Val Duncan campus. I am hard worker, patient and i like to learn learn new ideas in the working field. I am a fast learner, i share new ideas with those who lack knowledge. I want to be the good employer in your company and take it more further in the next coming years. I am good with working with a team because safety of myself is safety of others.

Thank you
