

Wg Engelbrecht

Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am an electro-mechanical engineering student looking for a position as a candidate engineer in 2022. I have some experience in the Agricultural, Electrical, and Mining industries. I am recognised as a highly adaptable student engineer. My interpersonal and intercultural competence ensures I deliver appropriate engineering guidance in the workplace. I approach tasks with energy and action, ensuring constructive project management. I function well as an individual and in team environments, as I build solid relationships at all company and client stakeholder levels. I am comfortable with change and resilient under pressure. I am skilled in dealing with complex issues. I am solution- and deadline-driven. I believe the knowledge and skills I have built in my career make me an ideal candidate for the above-mentioned role.

I am confident I can bring my skills and training to be of value to your organisation. With my previous experience and expertise, I believe my contribution will have an immediate and positive impact on your organisation.
