Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a 37-year-old female and am currently unemployed. I possess a Bachelor of Commerce Degree in Business Management and a Post Graduate Certificate in Education (Intermediate and Senior Phase), both obtained from the University of South Africa. I also completed two short courses on Innkeeper and QuickBooks Pro 2010, both computer programmes.

I believe strongly in teamwork although I cope well with individual responsibilities. I believe an organisation requires individuals to work together as a team as well as to prove their individual capabilities. My positions at Enjabulweni School, Assistant Financial Controller at The Royal Villas Hotel and as Operations Clerk at Fuelogic Swaziland provided me with the opportunity to work in high-pressured, team environments, where it was essential to be able to work closely with my colleagues to meet deadlines.

I am a teacher who works tirelessly to create a challenging, nurturing environment for students. I value the ideas and opinions of each and every student and inspire students to strive towards maximising their individual performance.

My native language is English but I can understand SiSwati. I work well with people of different cultures and races and am eager to learn new cultures and languages. I am always evolving and learning new things as a teacher to continuously improve my teaching methods. I always strive to provide a lesson that is unique, engaging and dynamic so as to keep my students interested and to ensure they all receive the education they need.
