## What job i'm looking for? My positive points

I am looking for a team which I can add value to .

Personal Branding Statement: " A dream does not became reality through magic, it takes sweat, determination and hard work". The harder I work, the luckier I get.

### Skills and Qualification

- Currently in my third year in cost and management Accounting at Durban University of Technology
- Integrity and outstanding leadership qualities are the biggest skills that I will bring to the team
- Through my previous experiences in the project that I have been part of I enhanced the skill of discipline. Discipline means everything.
- I am looking forward to joining this team which will help me improve as a human being but mostly important I am looking forward to help improve the company through my Dedicated services
- The important of soft skills is often overlooked the ability to communicate and understand people has helped me a lot.
- Theres is a lot I can improve on but with the right people in this team, I am certain I will be a better person after joining this team.

### Work Experiences

- Accounting tutor at Limitless Arete
