## What job i'm looking for? My positive points

Im looking for any general work. I believe im a very hard worker to any tasks given. Im very realible, . I can also work well in a team work. I am a motivated person. I have the ability to learn fast.

I can work under alot of pressure. I am a persistance person and i dont give up easily. I can be able to work with little/no supervision,willing to learn new things.

I can also work very well under pressure because i do prepare for it before it comes. I try to stay calm as possible just to get the job done.

My long term goals involve growing in a company where i can contribute as much value as i can. Once i gain additional experiece I would like to move through the ranks of the job.
