## What job i'm looking for? My positive points

I'm looking for any job that's available. I just finished my matric last year and I'm still waiting for my certificate. I want this job so bad because I'm my family's last hope and i dont know what I'm expecting in my certificate. If my certificate ain't quite impressing i would really wanna study again and improve my marks so i could reach my goals. So i wanna study while working I'm really a fast and hard worker
