What job i'm looking for? My positive points

Remote administrative jobs

I am a hard worker and even though I am 45 I believe that every day is a learning experience. I work well with others and believe I can learn more than I already have. I am passionate about completing tasks. If I am struggling with a task I will not give up until it is done 100%. I am very confident and capable. I love challenges and strive to become better when not successful. I live in the moment and I will always push others just as hard as I push myself. I can ask for help when needed. I do not compare myself to others as we are unique in our own ways.
