Curriculum Vitae (CV)

What job i'm looking for? My positive points

My skills and experience position me as a strong candidate for the role, and I am confident I will help your organization both in handling its regular workload and long-term goals.

While pursuing my Bachelor's degree in development studies at University of Mpumalanga, I have developed strong compositional strategies and ideas on how to develop our communities to be better advanced for our future generations. This degree also indulged me knowledge of organizational behavior in the workplace and also macro and micro economics. My attached resume further illustrates all my duties and accomplishments and experiences I've gained in all the companies I've worked for.

With my educational background and job experiences, I am well-suited to work and get more experience with this internship. I look forward to hearing from you and would be very happy to visit your office for interview. Thank you for your time and consideration.

Yours sincerely,

Khensani Nkosi
