Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am a youthful individual who is passionate about welding, I have experience in this field(SMAW & GMAW WELDING) as my resume above mentions. All of my life I have been doing welding but never had a chance to get a permanent job it has always been contracts or subcontractors, so what I look forward to now is a much bigger company with a lot of challenges that I look forward to tackle.

Preferred occupation                      Welder  
Construction jobs
