Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a hardworker who always strive for success and I believe in always winning. I am open to new ideas and always willing to try something hence in my past job experiences I haven't been doing the lineup of work from retail business for which I have certificate for it and did my practical's to being an assistant driver at big company like TAKEALOT. I am a humble person who seek nothing but an opportunity to show off his skills and gain more experience along the way and work with new people for which in that am very good "group work".
