What job i'm looking for? My positive points

When I was informed about the opportunity, I was looking forward to apply. Though I am an entry-level applicant I am willing to learn more and develop new skills. I believe I will make an excellent intern. I believe the only way to reach this goal is through adopting a result-orientated attitude reflected in initiative and accountability.

I am looking forward to hearing from you.

Thank you for your time and consideration

Regards,

Caslinn Stuurman
