Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I am looking for a new challenge where I can learn more experiences and express myself in a new environment.

I am a great team working employee, my numeracy skills are quite fantastic, I am very confident and believe in learning.

I prefer to be hired as of course I'm looking for a job but more due to my current personal situation and mostly because I take everything I do very serious, I even get bored when I have nothing to do.
