Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any kind of job that is willing to pay me better salary as I am a hard worker, and I do not mind any kind of a job my employer is willing to give me. I have learned that the earliest bird catches the fattest worm so in terms of working hours I promise not and I wont try to risk the fact of being late at work as I know it is a disadvantage to code of conduct of my jobs. I am a fresh teenager who is willing to make life as I am from a poor family which cant afford to take me to tertiary
