Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for any job where I can take my skills further and learn as much as I can. I am a fast learner who always does my best to do as much as I possibly can to do my job. I am a hard working employee and I don't mind working after hours to finish my work. I am honest and will own up to my mistakes if I make any but I try my best to not make mistakes and to work as efficiently as possible.
