## What job i'm looking for? My positive points

I am currently unemployed. I completed my matric in 2021, at A.D Nkosi high. Since I didn't further my studies, I would like to get a cleaners job, reasons being that no one is working in my family and financially we are poor, if I could get this job I will improve my family situation, since am the only one who they really hope will take care of them.
