Curriculum Vitae (CV)

What job i'm looking for? My positive points

MY POSITION AT A MOMENT AM NOT WORKING I WAS WORKING AT KOOPower ELECTRICAL AS A TECHNICIAN FROM 2019 DECEMBER TILL LAST YEAR 2021 DECEMBER. I HAVE 10 YEARS EXPERIENCE NOT YET QUALIFIED BUT I HAVE N2 TO N6 ON ELECTRICAL ENGINEERING. ON MY TEN(10) YEARS OF EXPERIENCE

Performed in-depth electrical acceptance testing of completed hardware.

Administered both energized and de-energized testing on multi-design change packages.

Determined most effective approaches to new projects by reading and analyzing blueprints, drawings and sketches.

Calibrated and repaired existing systems to maintain functionality.

Communicated with engineers and customers to discuss potential and existing engineering projects.

Scheduled and undertook periodic maintenance on all electrical installations, components, and equipment.

Maintained and fixed lighting and fixtures.

Performed troubleshooting and repair for complex electrical equipment.

Evaluated installed electrical equipment and systems to isolate faults and implement corrective actions.

Identified specific cables, connectors, fuses, circuit breakers and other electrical devices required for installation of monitoring systems and weapons detection systems.

Implemented cutting-edge processes and safety practices to reduce electrical construction hazards.

Created electrical schematics using AutoCAD Electrical Toolset.

Monitored manufacturing operations of electrical devices for compliance with safety protocols.

AND I STILL WANNA CHANGE MY TRADE TO MILLWRITE AS I AM ABOUT TO REGISTER 4 SUBJECTS ON THE SUBJECT CALLED FITTING

Preferred occupation Engineers
Engineering jobs

Preferred work location Kathu
Northern Cape

Work experience

Working period	nuo 2017.04 iki 2019.12
Company name	EMBANI ELECTRICAL
You were working at:	Electricians
Occupation	ELECTRICIAN
What you did at this job position?	Interpreted electric and electronic schematics and mechanical layouts to diagnose equipment problems. Measured and read DMM, meggers, micrometers and thickness gauges using electrical and mechanical testing instruments. Obtained measurements and readings using volt and ohm meters, meggers, IC testers and dial indicators. Installed and maintained databases on company's server. Installed electrical and mechanical equipment in accordance with National Electric Code. Disconnected and removed motors and pumps. Installed electrical wiring through conduits and holes in both flooring and walls. Updated and modified components and systems to improve operation. Tested, troubleshot and calibrated equipment in shop and field. Tested wiring and other system parts for electrical flow and function. Performed preventive maintenance tasks to verify proper working condition of electrical panels and conduits. Adhered to testing procedures while performing standard and specialized evaluations on energized and de-energized circuits. Operated and maintained electronic transmitting and receiving equipment, as well as digital and analog computers. Notified supervisor immediately about equipment problems and breakdowns. Checked supportive electrical equipment such as brackets and hangers, making repairs when necessary. Installed electrical conduit and wiring for power, controls and lighting.

Working period **nuo 2019.06 iki 2021.12**

Company name KOOWPOWER ELECTRICAL

You were working at: Technician

Occupation ELECTRICIAN

What you did at this job position? Strong experience in motor and control wiring layout, component pre-assembly, conduit installation, wireway and cable tray installation, and wire pulling and terminations. Familiar with I/O checkout to PLC of completed motor and control wiring circuits. Familiar with electrical works in commercial sites and domestic properties. Exceptional knowledge of managing several projects at one time. Outstanding knowledge of installing solar electric systems. Proficient in basic emailing, spreadsheet input and report input. Extreme ability to troubleshoot basic control and motor wiring circuit problems. Immense ability to read and comprehend engineered drawings and schematics. Outstanding ability to use a chain saw, chipper, and other equipment and climb ladders to perform job duties at various heights above ground up to 29 Meters.

Education

Educational period **nuo 2008.02 iki 2012.12**

Degree Certificate

Educational institution TALETSO FET COLLEGE

Educational qualification NCV LEVEL 2,3 AND 4

I could work YES

Educational period **nuo 2015.08 iki 2020.11**

Degree Diploma

Educational institution BRISTOL TRAINING COLLEGE

Educational qualification NATED COURSE N2,N3,N4,N5 AND N6

I could work YES
