Curriculum Vitae (CV)

What job i'm looking for? My positive points

General work is the work I've been doing ever since, Packing the stock, Cleaning the environment and other additional quick duties in extra hours if given like collecting bottle and cans for recycle purposes.

My positive points is that I can relate to every work in the field but I just need practice, i am a hard worker who likes to assist others if they need help, Fast learning is what I am best in, when it comes to time I respect it I always make sure I complete my work in time.
