## What job i'm looking for? My positive points

Dear Sir/ Madem

As I have introduced myself.. I didn't pass my Grade 12 so I have Grade11 and I didn't have a chance to go to College because I believe that if I can get a chance to get a Job then I can go back and do what I didn't do well at that time

At the moment I'm helping my Father with his business, he is doing Transport so I decided that even though I'm doing this I really wish I could get a Job so that I can stand up for myself And i m dealing with Children and works so it's been a great thing at the moment and also I have code 10 license and I was employed in a General assistance contract at Department of education.

Preferred occupation      Car drivers
