What job i'm looking for? My positive points

My journey as an outdoor adventure instructor was amazing. I travelled the country and worked with an amazing group of people. My duties as an instructor was to council, motivate, challenge and encourage people of all ages to participate in high risk activities such as absorbing, jumping into a rock pool from 15 metres, zip lining, fuffi sliding, kayaking, river rafting, quad biking and hiking. I loved participating in the activities myself. I recently assisted as a teacher at a creche. My duties was to follow Caps and Montessori modules. I setup a program based on the course that was provided by my boss. I enjoyed the privilege of researching and teaching my students. I'm outgoing and adventurous. Life has been challenging, all though it's never got me down. I look forward to accomplishing more to come. I know I'll be a great asset to your team.
