Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a girl who grow up at the small community were we help those in need. My father lost his job years back and now he is doing everything to feed his family. I am a student but financial circumstances made me take a gap year this year and I can just be home doing nothing. I enjoyed maths from a very young age and I won't mind assisting those who can't understand. I am a fast learner and I believe I can learn fast and solve problems.
