What job i'm looking for? My positive points

Hi all

I have 17 year of experience in mining at a chrome smelters. Was a shift supervisor and then a day shift supervisor. I did the day to day control of the shifts. I was also over the clarifier and slag dams, I was running the recovery team. And breaking floor for day to day production targets. Report back to manager

I was working at Bosun Brick as the factory foreman, my contract is ended

Thanks
