What job i'm looking for? My positive points

I am looking for a kitchen job because I want to work so I can earn money and help my mother at home , there's no one working . I'm used to kitchen jobs around my area although they're not permanent .

Kitchen jobs taught me more about cleaning and maintenance in households and also to work hard , get more experience on how to make a kitchen to be more attractive to everyone.

Preferred occupation	Kitchen staff Kitchen jobs
