Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am a outgoing person, very passionate about my sports and like to enjoy myself with people around me.I am actually a bit quiet but I do communicate well when I should and like to meet new people and go to places I have never been too. The reason why I think that I should be appointed for the job is because I'm a very hard working person and I like to observe and learn new things from people I work with and I am enjoyable to work with.
