Curriculum Vitae (CV)

What job i'm looking for? My positive points

I'm looking for any job at the moment because I'm very good at adapting in all situations. I speak and write fluent English and isiXhosa. I have a matric certificate but currently studying online at Unisa mthatha campus. I'm a good team player. I also have no physical disability which might hinder me in doing my job. Currently, I'm not married so time flexibility is not a problem and last but no least, I am very future oriented. Thank you.
