What job i'm looking for? My positive points

I'm looking for any call center job or any retail store job that values hardwork and positive outcome because these are the values I will bring in the organization. I have good interpersonal skills, I can easily work and communicate with people. I'm a very goal driven lady that works hard to achieve the organization deadlines and I can also work under pressure. I am vey computer literate and very flexible.

I have acquired a lot of literary skills since I'm a university student and I can work under pressure very well.
