Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am ambitious and driven. I thrive on challenge and constantly set goals for myself, so I have something to strive towards. I'm always looking for an opportunity to do better and achieve greatness. I'm a people person. I love meeting new people and learning about their lives and their backgrounds. I can almost always find common ground with strangers, and I like making people feel comfortable in my presence.

In high school this skills came handy to me as I was part of the rcl which needed communication skills and hardwork.
