What job i'm looking for? My positive points

Dear sir/madam

I'm a hard working security guard and I'm a person don't like to make an employer regret himself. I make sure that my work is always perfect.

My work is the thing that I always put first, and most of all I'm always on time. I've worked in some critical places where thieves and parasites are many as grass, that made me strong cause I told myself that I will always fulfill my work.
