Curriculum Vitae (CV)

## What job i'm looking for? My positive points

I'm a drop out student who have once worked at spar as a cashier and assisted in finance office with damage control and GRV's. After Corona hit hard I started to assist my brother with stock deliveries but I was driving with a learners licence until I managed to save enough to obtain a valid driver's license. Driving is what I've been passionate about And I'm a person who really likes to know places explore. Getting a driver's job would really do for me and my family as a whole.
