What job i'm looking for? My positive points

Code 14 Driver

I am a professional long distance Truck Driver with 25 years of driving experience.

Although the majority of my driving experience is in the transport of fresh produce in refrigerated 3 axle trailers, I have also transported different types of goods using super-link tautliner trailers and tanker trailers in the past, and I am comfortable driving any type of truck-trailer combination.

I am dependable, reliable and diligent and I always go the extra mile to ensure that the goods in my care are transported safely and in good order to their destination. I also take great pride in my work and my professional driving skills and safety record speak for themselves.
