Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am currently unemployed. I worked in the Casino industry for 11 years. I worked management for 5 years. I am staff oriented and well presented.. I work well under pressure and always willing to go the extra mile.

Any job in the casino industry would be fine, any job to help build me up again, I am willing to work hard and strive for the company.

I worked many hours before, worked night shift, public holidays.. I sacrificed a lot of time to build myself and I'm willing to do that once again
