Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a cashier position. I am young and dynamic, sober habit with clean criminal record. I am a hard working person. I'm saying this because when I was in grade 10 I was struggling in maths. I led in the beginning of the year and I committed myself with people who know maths better than me. Then I started to improve in it and at the end of the year I passed it, honest and trustworthy.
