## What job i'm looking for? My positive points

Am looking for general work at sibanye gold mine.

I am a very focused ,good listener and flexible person and I work well in team.after I completed my matric in 2007 ,I went to TVET college enrolled in electrical engineering until I completed my N6 in 2018 .i would like to have the experience in the field of engineering as time goes by I believe in starting from the bottom in order to get where you want to be in life. I have never worked before but I was in learnership in between my college years doing water and waste water process control.
