What job i'm looking for? My positive points

Good day

I was employed at Telkom for 25 years as a supervisor. Our Durban branch 1023 closed down and we all got retrenched. I opened my own crech and was very succesful. I also opened my own Logistic brokerage from home. Also very succesful.

We then decided to move down from Durban to the South Coast and opened a holiday home. Covid come and I had to stop the holiday rental and switch to permant rental.

I love to cook and my dream is to own my own restuarant one day. So I will be willing to even be employed as a chef although I can cook very well but have no restuarant experience.

I wish to be employed in any field as I am a hard worker and I can work without any supervision. I am also very honest and trustworthy. I believe working for any company treat it as it is your own. If the company does not succeed I wil not have a job at the end of the day.

I can also think out the box to try improve my work environment/ workload.

Thank you for your time.
