Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am very interested in the position. I am confident that my experience and skill set make me a qualified candidate. I would love the opportunity to apply my skills to this position and to grow with such a prestigious company at this company. I once worked as a driver helper for a company (contract). My daily duties include loading and unloading packages on the truck, aiding the driver by navigating to set destinations, properly entering data into the package system, maintaining the manifest log, and disposing of garbage due to packaging. I also utilize my communication skills and personable demeanor to facilitate positive relations with customers, drivers, and other employees. Due to my hard work and can-do attitude I have been acknowledged by my supervisors on several occasions. I am looking for an opportunity to apply my skills in a position with strong growth potential. With your strong track record of promoting from within, I truly believe that this company would be an excellent place to facilitate my career growth. I have included my resume in this package. Please feel free to contact me with any questions or to schedule an interview. I may be reached at 0817321377 or email Njabulonhlapo03@gmail.com. I look forward to speaking with you soon.
