Curriculum Vitae (CV)

What job i'm looking for? My positive points

I am looking for a job in which I can grow and use all my skills & knowledge which include: plumbing, electrical, tiling, painting , waterproofing, drywalling, damp-roofing, laminate flooring & general maintenance... having a eye for detail really helps to accomplish the task at hand first time around!

I am looking permanent work as personal business is so quiet and unfortunately at a point where it is no longer financially viable.

I like to think of myself as a positive thinker, motivated, humorous, loving, caring & ambitious.
