## What job i'm looking for? My positive points

At the moment I'm looking for any job available I have matric code 8 licence safety rep certificate and I'm a very hard worker and fast learner. I believe you have to crawl before you walk so I'm willing to work myself up and learn and gain more experience. All I want is another chance in life so I can look after my family and if I do get the job I promise I would be an asset to the company I'm very good with my hands and devoted to the things I have to do.
